The screenshot shows the MARCQI login page. At the top left is the MARCQI logo with the text "MICHIGAN ARTHROPLASTY REGISTRY" and "COLLABORATIVE QUALITY INITIATIVE". Below the logo is the heading "Two Factor Authentication". There is a lock icon to the left of a "Verification Code" input field. To the right of the input field is a red "Verify" button. Below the input field is the text "Enter the verification code you received through the Authy App". Below this is a red-bordered box containing the text "Or, change authentication method" and three buttons: "SMS me with a code", "Call me with a code", and "Get Authy App". At the bottom of the screenshot is another red-bordered box with red text: "Select authentication method. Two-factor authentication is crucial in protecting sensitive information such as PHI."

The screenshot shows a "Welcome MARCQI Members" page. The background is a scenic image of a waterfall. The text "Welcome MARCQI Members" is overlaid in large, bold, white letters. Below this is a dark grey box with white text. The text reads: "The latest update to the application (**May 29, 2024**, Version 1.4.138) included:" followed by a bulleted list: "• Minor code updates and maintenance". Below the list is another block of text: "For general database questions or password resets, please contact the MARCQI Coordinating Center at MARCQI-database@med.umich.edu."
